## Heart for Ministry

The Lord has given us His commission to **make disciples of all the nations**. I believe we do that by sharing Christ with the lost, discipling new believers, and equipping believers of all stages to multiply themselves in ministry. I enjoy doing all three aspects: winning others to Christ, building them in their faith, and equipping them to minister to others. I desire to use my gifts in **discipleship/shepherding, teaching, and exhortation** to invest in the lives of other **women**; thus helping them to develop their gifts and grow deeper in their relationship with Christ.

## ***Conversion Experience***

*I grew up in a Christian home and in an evangelical church. I knew as a young girl that I was a sinner and that Jesus died for my sins. When I was 9 years old, I accepted Jesus Christ as my personal Savior. I grew in my walk with God throughout junior high and high school. However, during my college years at LSU, I pulled away from God in order to gain acceptance from new friends. For two and a half years, I was miserable but had no clue how to right my relationship with God. Through the ministry of Campus Crusade for Christ, I yielded my life to His control through the power of the Holy Spirit during my junior year. That was a major turning point in my life. As I was discipled by women on staff with Campus Crusade, I knew that I wanted to invest my life in women in the same way. I knew then that God was calling me to full time ministry.*
