Coming Soon - Connect Launch

CONNECT

As summer is coming to an end, we know you are working to reconnect and re-engage your congregation. For some of you, this will be the first time you've welcomed your church family back since COVID-19. Others may still have your doors closed and are looking for ways to connect with your congregation from a distance.

This launch enhances connections across all aspects of your church:

- helping your congregation build relationships with each other
- creating bridges across your various tools
- connecting your admins to the information and data they need to engage and grow your church family

Thank You

Pushpay
